

FIELD SERVICE FITTER

Robson Civil Projects is a leading civil contractor looking for a highly motivated and experienced Field Service Fitter to provide on-site Plant Mechanic / Fitter support in the Hunter Valley.

This position will offer the successful candidate long term prospects and career growth. This is a permanent Monday - Friday position with the potential of overtime with weekend work.

The successful candidate will be responsible for carrying out repairs and preventative maintenance on the mobile fleet in the field and workshop, as well as perform inspections to determine condition and suitability to return to service.

ABOUT YOU

- Relevant diesel fitter / heavy vehicle trade qualifications
- Current Drivers Licence and Construction Industry Induction
- Post-trade experience within the Hunter Valley mine site environment
- Proven experience with Caterpillar, SIS and ET
- High levels of initiative and the ability to work well under pressure
- Safety focus with a high attention to detail and ability to abide by site safety processes
- Strong work ethic and reliability
- Proven Experience working independently
- Preferably hold Working at heights and Confined Spaces Tickets

IN RETURN WE OFFER

- An opportunity to join a diverse and inclusive leading edge business
- Great systems, procedures, equipment and working environment

To be considered for this position you must provide an up to date resume with strong references, which clearly states your experiences within the relevant field.

If you believe your skills and experience matches the above criteria please forward your application to: jobs@robsoncivil.com.au
